### Preparing for your energy work with a Lemon Bath:

A few days prior to your upcoming session or workshop with David, we recommend that you soak in a detoxifying lemon bath for about 20 minutes.

### Lemon Bath Instructions:

- Cut 2 – 3 lemons into slices or chunks
- Draw a hot bath
- Drop the lemons into the bath, wait 2 minutes, then climb in and relax for about 20 minutes
- Enjoy the soothing lemon scent while the lemons detoxify your body and skin

If you have ever had anesthesia, it is particularly important that you take at least two lemon baths prior to working with David to open receptors and pathways to clear the way for the most efficient energy absorption. Should you feel any burning sensation from the lemons, simply shower and take another bath the following day.
